2008 Summer Internship

PROTECT OUR ISLAND AND OUR EARTH
June 16th—August 22nd

FOUR INTERNSHIP POSITIONS
- Invasive Plant Program Intern
- Naturalist Intern
- Nursery Intern
- Trails Intern

PROTECT THE LAND—REAP REWARDS
- All food and incidentals covered
- Extensive Training
- $500 Completion Stipend
- Spacious office with lots of fresh air

PROGRAM OVERVIEW
Description—The Conservancy is responsible for managing 88% of a 75-square mile island, an enormous job for only 60 staff. Join us for an eight week internship to gain experience with conservation management practices. Learn firsthand what we are doing to ensure healthily functioning ecosystems and about the broader implications of our efforts.

Accommodations—Stay at our Laura Stein Camp which is equipped with canvas tents, hot showers, a complete kitchen and flush toilets!
